WORK EXPERIENCE

Gallery Monitor

CCA Wattis Institute
(October 2017–Present)

Educate gallery patrons on artists' work, and exhibition concepts ranging from film to print mediums

Cleaning and caring for the space
Interacting directly with artists to learn about their work and how to communicate their ideas to gallery attendees

Design Intern

San Francisco Center for the Book
(October 2018–Present)

Graphic Design projects for SFCB's website and social media, plus some print studio and bindery support

Making studio signage and Center collateral and ephemera

Maintaining studio and preparing the studio with correct materials

Training would focus on the process of transferring digital designs to analog letterpress printing and letterpress printing itself
